# IMPROVE I-70 MONTHLY REPORT

Missouri's FY2024 budget from the General Assembly and signed into law by Governor Parson provides General Revenue for the costs to plan, design, construct, reconstruct, rehabilitate and repair three lanes in each direction on nearly 200 miles of Interstate 70, from Blue Springs to Wentzville.

## IMPROVE I-70 PROGRAM 2024 MILESTONES

In late June 2023, Missouri's FY2024 budget from the General Assembly was signed into law by Governor Mike Parson providing \$2.8 billion in General Revenue for the costs to build a third lane of Interstate 70 between Blue Springs and Wentzville. Since that time, MoDOT's Statewide Improve I-70 Program has made significant progress on this historic investment in infrastructure. Here's a look at some of the major milestones completed in 2024.

**JANUARY 2024** - Missouri secured a \$92.8 million Infrastructure for Rebuilding America (INFRA) grant to improve Interstate 70.

**MAY 2024** - Public hearings hosted in Columbia and Kingdom City for first I-70 project.

**JULY 2024** - I-70 construction begins between Columbia and Kingdom City between Callaway County Routes J and M.

**NOVEMBER 2024** - MoDOT awards second Improve I-70 project (Warrenton to Wentzville) to the Improve I-70 Alliance design-build team.

**FEBRUARY 2024** - MoDOT awards first Improve I-70 project (Columbia to Kingdom City) to Millstone Weber and Jacobs Inc.

**JUNE 2024** - MoDOT and the contractor team, alongside Gov. Mike Parson, break ground on first section of the Improve I-70 Program in Columbia.

**OCTOBER 2024** - Crews pour the first section of new concrete pavement on what will be the third lane of I-70 between Columbia and Kingdom City.

**DECEMBER 2024** - MoDOT shortlists five teams to compete for the third Improve I-70 project (Blue Springs to Odessa).
